

My First Manga Review

Title: Don't toy with me Miss Nagatoro. Volume 1

Author: Nanashi

Reviewer: Mohammed Lodhi Hussain

Tuesday, July 14, 2026

What a strange story. But it's an interesting Manga for my first one. Definity some kink strange behaviors. A lot of this material just flew over my ahead.

Is it a good or bad book?

I think it is good if you are aware what the story is about. I don't like to give away the story.

It is black inked pages.

I thought there was something to the story.

Still an interest cozy read.

I know this is not for everyone. It was not for me but it grew on me.

I hope this helps.

Sincerely,

Mohammed Lodhi Hussain
