United State Senator Lindsay Graham
by Mohammed Lodhi Hussain

This morning I found out that United States of America Senator Lindsay graham passed away.

This is a sad time for our Nation and a time for healing for our need for political peace

Lindsay Graham was considering a leader and vocal orator in the Senate Chamber.

On the senate floor help lead many initiatives and his passing away is a sudden shock to me and the Nation.

I have followed politics since I was 4 years old. And too see others passing away is a challenge.

Nonetheless, by example, Senator Graham did more to protect interests and visited first hand to the tragedy of war abroad and within the Nation.

I wish the Graham family strength in time of need and solace and in the hearts of believers to Pray for Lindsay Graham and Nation. WE lost one of the best in the Rigors of politics.

Thank you for this valuable rarest of virtues. The shared experience of time together.

Sincerely,
Mohammed Lodhi Hussain
